SUMMARY Detail-oriented cybersecurity and web development professional with hands-on experience in SOC operations and full-stack development. Completed a 240-hour OJT as a SOC Tier 1 Analyst, monitoring and triaging security alerts across enterprise cloud and endpoint platforms, alongside experience building full-stack web applications and machine learning projects. Adaptable and eager to contribute technical skills to a professional software development or cybersecurity team.

- KEY SKILLS**
- **Security & SOC Operations:** Security Alert Triage & Case Documentation, Microsoft 365 / Azure AD, AWS CloudTrail, CrowdStrike, SentinelOne, Fortinet, SonicWall, Varonis DataAdvantage
 - **Web Development:** React.js, Node.js & Express, PHP, Supabase, Socket.io & Real-Time Applications, Git/GitHub
 - **Other Technical:** Python & Machine Learning (TensorFlow, Keras), Problem-Solving & Debugging

WORK EXPERIENCE	SOC Tier 1 Analyst (OJT) CyTech Development and Operations Inc.	2026
	• Monitored and triaged security alerts across Microsoft 365, AWS CloudTrail, Azure AD, CrowdStrike, SentinelOne, Fortinet, and other platforms for multiple enterprise clients. • Documented and escalated security cases (malware, credential compromise, ransomware, data breach, phishing) using structured SOC workflows. • Correlated logs and timestamps across time zones to build accurate incident timelines. • Maintained consistent, audit-ready case documentation in line with security best practices.	
	Junior Web Developer (Part-time) SE Business Solution	2025
	• Developed and implemented web application features using PHP, contributing to both frontend and backend components. • Built and integrated a custom plugin/module into an existing application, following the company's development standards. • Collaborated with the development team to understand system requirements and deliver functional solutions within a professional environment.	
	Customer Service Representative Teleperformance	2024
	• Assisted customers with inquiries, product support, and issue resolution across high call volumes. • Developed strong communication and problem-solving skills while handling customer concerns professionally and efficiently.	
	Student Assistant North Eastern Mindanao State University	2022 - 2023
	• Provided administrative support including data entry, recordkeeping, and front-desk guidance for students and faculty. • Managed multiple responsibilities simultaneously while maintaining academic commitments.	

EDUCATION Bachelor of Science in Computer Science (Ongoing)
University of Science and Technology of Southern Philippines
